

## The Team Leaders

**Denver**

(A470600)

This Pug mix's popularity and social skills with both canines & felines got him elected as a leader.

**Baldric**

(A470017)

This Pointer mix is the levelheaded one that will be able to remain calm even during the zombie apocalypse.

**Fala**

(A469563)

This Shepherd mix's instinctive leadership skills are reminiscent of her great ancestors leading their wolf pack.

**Patrick**

(A451886)

This guys natural hunting instincts are expected to be a huge asset for food scavenging.

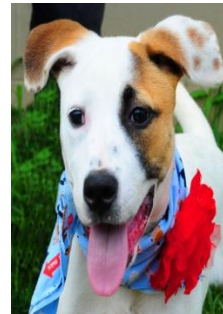

**Chunky**

**Monkey**

(A451744)

His teammates are staying positive & refuse to believe he will eat all the food himself.

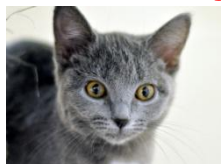

**Charlotte**

(A471807)

This Collie mix's love for food is common knowledge, and she will leave no kibble unfound.

## The Strategy Specialists

**Ava**

(A441284)

This domestic SH enjoys spending time alone so she can think deeply regarding potential plans of attack.

**Zena**

(A458041)

This domestic SH has already shown her strategic planning skills: she shows great affection, all in a ploy to get treats.

**Quinn**

(A450333)

This domestic SH was once voted MAS's smartest cat, and now he is exercising his brain on zombie attack survival.

**Gusto**

(A459589)

This domestic SH's size is a huge advantage that will allow him to hide in the tightest of spots.

**Una**

(A465442)

This domestic SH has already been witnessed hiding in the Kitty Condos and spying on visitors.

**Trouble**

(A450647)

This domestic SH's secret weapon is his excessive charm that he will use to lure unsuspecting victims.

## The Weapons Experts

**BamBam**

(A464039)

This Lab mix has been stockpiling rope toys and tennis balls for months in anticipation of future need.

**Faith**

(A470799)

This Collie mix was last spotted teaching the Kitty Condo cats how to use their toy wands for protection.

**Reba**

(A451744)

This Shepherd mix has developed a stealthy technique in which she first attempts to scare suspicious characters away with her loud bark.

**Hot Dog**

(A471997)

This Min Pin mix runs so fast that you'll miss him if you blink, and he plans to use his speed to outrun zombies.

**Carlie**

(A469432)

This Lab mix has been building her strength through training involving wrestling in the yard with her favorite playmates.

**Griffin**

(A468160)

This Brussels Griffon has every intention of using his intimidating appearance to his advantage as he escapes zombies and other creeps.
